

M.Sc. Respiratory Therapy

Programme Structure:

Courses	Credits
I Semester	
Advanced Respiratory Therapy Science-I	3
Biomedical Instrumentation in Respiratory Therapy	3
Advanced Cardiopulmonary Diagnostics	3
Research Methodology and biostatistics	3
Clinical Skills-I	4
II Semester	
Advanced Respiratory Therapy Science - II	4
Emergency Medical Care	4
Pulmonary Rehabilitation	3
Bioethics	3
Clinical Skills –II	4
Open Elective	3
III Semester	
Adult Respiratory Care- I	3
Sleep Medicine & Polysomnography	3
Critical Care Medicine- I	3
Clinical Skills –III	4
Health Care Management	3
Open Elective	3
IV Semester	
Adult Respiratory Care- II	3
Critical Care Medicine- II	3
Respiratory Clinical Skills-IV	3
Dissertation	12
