

### M.Sc. Cardiac Cath and Interventional Technology

#### Programme Structure:

Courses	Credits
<b>I Semester</b>	
Basics in Cardiac Catheterization and Intervention	3
Clinical cardiology	3
Biostatistics & Research Methodology	3
Cardiac Cath Clinical Skills I	8
<b>II Semester</b>	
Cardiac Cath and Intervention In IHD and VHD	3
Heart Failure	3
Bioethics	3
Cardiac Cath Clinical Skills II	8
Open Elective	3
<b>III Semester</b>	
Cardiac Cath and Intervention In CHD	3
Electrophysiology And Cardiac Pacemakers	3
Health Care Management	3
Cardiac Cath Clinical Skills III	8
Open Elective	3
<b>IV Semester</b>	
Cardiac cath and Intervention in miscellaneous Diseases	3
Recent advances in cardiac cathand intervention	3
Dissertation	12
Cardiac cath clinical skills IV	8
