

MSc. Echocardiography

Programme structure:

Courses	Credits
I Semester	
Cardiac Embryology	3
Clinical Cardiology	3
Biostatistics & Research Methodology	3
Echocardiographic Clinical Skills Paper I	8
II Semester	
Ischemic and Valvular heart disease	3
Heart Failure	3
Ultrasound, Doppler principles	3
Bioethics	3
Echocardiographic Clinical Skills Paper II	8
Open Elective	3
III Semester	
Congenital heart disease	3
Cardiac Pacemaker	3
Health Care Management	3
Echocardiographic Clinical Skills paper III	8
Open Elective	3
IV Semester	
Miscellaneous Diseases of the heart	3
Recent Advances in echocardiography	3
Dissertation	12
Echocardiographic Clinical skills Paper IV	8
